Introduction to the Healthcare and Services family

PURE STRETCH

NEW FABRIC **NEW**

Our innovative PureStretch fabric, with 360° stretch, combines the best technology in terms of comfort, freedom of movement and durability; with the antibacterial and anti-odour properties of our SilverPlus® treatment and the functionality of the water-repellent finish, which will prevent any liquid from coming into contact with the skin. It is also breathable, wrinkle-resistant and extraordinarily soft. Thanks to its composition with GRS recycled polyester, we contribute to creating a more sustainable world.

Smart[®] Micro+fiber

Smart Antimicrobial Protection

Our high-performance Smart Microfiber[®] fabric with SilverPlus[®] treatment is the best solution for hygiene, protection and freshness. Our microfibre is characterised by its softness, elasticity and breathability. Thanks to its silver ionic finish, it protects fabrics from odour-causing bacteria. In addition, its water-repellent finish transports body moisture away from the fabric.

Our stretch sanitary fabric is always a guarantee of success. With this range of sets you will enjoy the main advantages of our well-known stretch fabric, characterised by its softness, durability and great recovery capacity. These garments provide professionals with an extra sense of comfort, thanks to their pleasant texture and soft feel, and allow them to have great freedom of movement.

PolyCotton

Our high-quality twill fabrics are characterised by their high durability and pleasant wearing comfort. As well as being soft to the touch, it is very easy to maintain: it is very easy to wash, does not fade or warp, which makes this range the right choice for all professionals. Thanks to its remarkable durability, you can enjoy a longer garment lifespan.
